

## **Deputy Clerk's Report**

**By Alison Hooker (on behalf of Rachel Weeks) for the Amenities Committee meeting on 26<sup>th</sup> January 2026.**

There was no Amenities Committee meeting in December.

Actions and updates since the last Amenities Committee meeting on 25<sup>th</sup> November 2025.

### **Marden at Christmas**

Another successful event held on 6<sup>th</sup> December 2025. A meeting is due to be held on 12<sup>th</sup> February when Cllrs will be given an opportunity to provide a feedback on the day (please let me know if you wish anything to be raised).

Rachel has produced a short feedback form which has been advertised on social media for any resident to comment on what is good/bad/could be done better and the responses will be available on 12<sup>th</sup> February.

She will be contacting businesses/groups that took part for feedback and Lisa was due to contact stall holders but due to her being on sick leave so I have just done this.

### **Tree Work at Playing Field**

This was undertaken on 16<sup>th</sup> January. **Attached below are photos of the completed work at the Playing Field.**

### **Other**

Rachel will either send out an urgent update on her return or report to the meeting if there is anything else for Cllrs to be made aware of. **There is nothing new on the Outstanding Issues List from November. I have chased MBC again about moving the litter bin from West End to Albion Road – or at least to let me have an answer one way or the other. Once all the legal issues have been dealt with on the Allotments and Solar Panels at the Public Toilets, Ali and I will sit down together it will be added to the list.**
